Dear _____,

The Imagine School at North Port Athletic Department is excited to offer you the opportunity to become a valued community sponsor. We offer 13 different sports and we compete in the Florida High School Athletic Association (FHSA) for grades six through twelve. Our teams have had recent success in sending teams to the district, regional, and state tournaments.

Over the course of the 2024/2025 school year, the ISNP Athletic Department will have hosted 65 high school games and 20 middle school games. This provides your business the opportunity to be marketed to either spectators attending games inside the gym or vehicle traffic along our fence line during student drop-off/pick-up as well as driving to the games. As you probably know, schools locally and nationally have had additional mandated expenses. It is vital that we provide our students the opportunity to succeed both academically and athletically. We are looking for your help to be a part of those opportunities.

Sponsorship of the ISNP Athletics Program can be done on different levels. Below are our levels of sponsorship:

Blacktip Shark: \$150 = Small business logo on team apparel if applicable & athletic website as well as a certificate of appreciation

Mako Shark: \$300 = Large business logo on team apparel if applicable & athletic website as well as a certificate of appreciation

Tiger Shark: \$750 = Medium business logo displayed on our athletic website, 3' x 5' full-color banner (BLUE) either in the gymnasium or along fence line (your choice), 5" x 7" plaque of appreciation

Great White: \$1000 = Large business logo displayed on our athletic website, 3' x 5' full-color banner (GOLD) either in the gymnasium or along fence line (your choice), 5" x 7" plaque of appreciation

Your sponsorship will help our student athletes make lasting memories and learn lifelong lessons. I believe that you will be proud to be a fundamental supporter of Imagine School of North Port Athletics.

Thank you for taking the time to partner with us.

Sincerely,
Milany Quiles, Athletic Director
Joshua Santoro, Assistant Athletic Director
